

Product Promoter Compensation Program

TLC's Product Promoter Program is a great way to earn a little extra income by promoting TLC's great products and having customers purchase products on your dedicated TLC website!

Qualifications:

Anyone over the age of 18 is eligible to apply to become a Product Promoter. To participate, you must enroll as a Product Promoter.

How to earn commissions:

Promote TLC Products and each time a customer purchases a product from your TLC provided website, you'll receive a 20% commission of the subtotal of the order, excluding taxes, shipping, and handling fees.

How to get paid:

TLC pays commissions on a DAILY basis. You should receive your commission payment within one (1) day of a completed order. You will be prompted to enroll in TLC Pay upon enrolling. Once you have your TLC Pay set up, you will be able to select your preferred payment method from your TLC Pay account.

TLC will not pay any commission payments until the cumulative amount of the owed daily commission is equal to or greater than twelve US dollars (\$12.00 USD).

A processing fee of \$1.00 USD will apply to each commission payment made by TLC.

Returns:

If, for any reason, your customer decides to return their order for a refund or if the order was determined to be invalid, TLC will subtract any commissions that were previously paid on this order from your unpaid or future commissions. TLC reserves the right to seek a refund of commissions paid to you.

Initial Term and Continuation as a Product Promoter:

The initial term of a Product Promoter is one year. In order for you to sign up as a TLC Product Promoter, you will be required to agree to the Terms & Conditions applicable to Product Promoters ("PP T&Cs"). Each year, on or about your anniversary date, you will be required to re-agree to the PPT&Cs to continue to be a Product Promoter. You will forfeit any commission you earn in the event that you fail to agree to the PP T&Cs and will be unable to recover that amount upon agreement.

Account Status:

In order to earn or receive any commission from TLC, your Product Promoter account must be active and in good standing. If, for any reason your account becomes inactive, suspended, or terminated, you will not be eligible to receive any commission from TLC starting on the date in which your account status is no longer active or in good standing.
